

Product Name & Model	RDX QuikStor	RDX QuadPAK	RDX QuikStation 4	RDX QuikStation 8
Form Factor	External /Internal 3.5"/5.25"	1.5U rackmount	1U 19" rackmount or desktop	2U 19" rackmount
Max Capacity	5TB	20TB	20TB	40TB
Connectivity	USB 3.0 or SATA III	USB 3.0	iSCSI	iSCSI
Work Environment	Small business and SOHO environments using workstations, laptops, tablets, cell phones servers/NAS	Small business/departments with servers and IT equipment installed in a 19" rack	Small and medium businesses with physical and virtual environments, IT equipment in a rack	Small and medium businesses with multiple servers or clients, virtual environments, and larger capacity needs
Buy This Product for...	<ul style="list-style-type: none"> Business Continuity: RDX backup, archive, disaster recovery, bare metal restore, and cybersecurity features deliver a flexible and secure safety net for data used by onsite teams and remote workers Security Resilience: Block unauthorized write access to protect against ransomware and cyber attack with RDX RansomBlock; utilize air-gap functionality to physically isolate data from unsecured networks Compliance Assurance: RDX WORM (write once/read many) media is KPMG certified to maintain accurate and unalterable records that meet regulatory standards Encryption: Protect the confidentiality of business data during data transfer or data vaulting Easier Data Transfer: Avoid network bandwidth constraints by physically and securely migrating up to 5TB of data (per cartridge), ideal for remote workers and offsite storage needs 			
Connectivity	USB 3.0 or SATA III	USB 3.0	iSCSI	iSCSI
Performance	Up to 330MB/s, depending on media and interface type	Up to 330MB/s, depending on number of drives and interface type	Up to 400 MB/s**	Up to 2000 MB/s**
Operational Mode	<ul style="list-style-type: none"> Removable Disk Mode* Fixed Disk Mode for integration with applications (Fixed Disk Mode USB interface only)* 		<ul style="list-style-type: none"> 4 RDX removable and fixed disk drives 1 Logical volume across all RDX drives* 1 Protected logical volume across all RDX drives* Emulated disk autoloader Emulated tape automation modes 	<ul style="list-style-type: none"> 8 RDX removable and fixed disk drives 1 Protected logical volume across all 8 RDX drives* 2 Logical volumes across 4 RDX drives* 2 Protected logical volumes across 4 RDX drives* Emulated disk autoloader Tape automation modes and hybrid mode
PowerEncrypt Hardware Encryption	SATA III interface only, FIPS 140-2 validated			
Software Compatibility	RDX supports all leading OS including Windows, Mac OS, and Linux; as well as such leading backup solutions as Veeam, Veritas, Commvault, Arcserve (Full Compatibility Matrix)			
Standard Warranty	3 yr. OverlandCare Bronze Level			

* Logical Volumes are available in fixed or removable mode.
 ** Total performance is media and operation mode dependent.

Product	HDD Media	WORM Media (KPMG certified)
Form Factor	Disk based removable storage media with rugged design to withstand drops, vibrations, electrostatic discharge and rough environments	
Buy This Product If You Need...	(HDD) to perform backup, restore, long term archiving tasks or move and exchange business data; (RDX WORM) to archive data in an immutable state to meet regulatory or compliance requirements; (RDX RansomBlock) to protect against malware	
Capacity	500GB, 1TB, 2TB, 4TB, 5TB	1TB, 2TB, 4TB
Load/Unload (min)	5,000 insertion/ removal cycles	
Supported File Systems	NTFS, FAT32, exFAT, ext4 and Mac OS Extended (HFS Plus)	
Compatibility	Forward/backward compatibility to all RDX systems	
Encryption	Software and hardware encryption capable	
Standard Warranty	3 yr. OverlandCare Bronze Level	

Overland-Tandberg RDX® removable disk solutions are an established standard, with attributes beyond other simple data storage products. RDX media's tough, shock-proof, portable design is built for today's on-the-go remote worker for quick backup of smart devices via USB. For small businesses and distributed environments with limited IT staff RDX easily manages backup, disaster recovery and archiving for laptops, servers, NAS devices or POS terminals. Security features such as air-gap, encryption and RansomBlock protect against attacks. RDX WORM media ensures compliant archiving. High reliability, low service cost and manageability let RDX pay for itself.

Sales and support for Overland-Tandberg products and solutions are available in over 100 countries. Contact us today at sales@overlandtandberg.com. Visit OverlandTandberg.com.
